SEBASTIAN

What about him? And do you think we should really be gossiping about him? He does not deserve this!

CHAROLETTE

Ugh.... why are you so boring? Anyways, My sources tell me that Noah was seen talking to himself about a crush he has on someone, and they think it's you!

SEBASTIAN

Really Charolette? Really? Your going to do this again?

CHAROLETTE

What? What are you talking about?

SEBASTIAN

Remember when Lisa first arrived at the school?

CHAROLETTE

But it was proven to be true!

SEBASTIAN

That does not make it any better Char!!! Listen you need to stop this!

CHAROLETTE

When did you all of a sudden care about what is right?

SEBASTIAN

When I realized all of the people I was hurting by being part of your gossip line!!!

(\*AUDREY enter STAGE RIGHT with ukulele\*)

AUDREY

*(singing)*

*I stood and let you in  
now I look at what we could have been  
I was stupid waiting in the dark  
watching my world be engulfed by bark*

*I shouldn't have let you go*

*I should have known  
what would happen when we drowned  
I stood and watched you leave  
you left me behind*

(\*SEBASTIAN enters STAGE LEFT\*)

SEBASTIAN  
(singing)

*I turned away and never looked back  
continued along my way, I wish I could have you back.*

*But something inside still wants you  
You are all I think about*

*I shouldn't have let you go  
I should have known  
what would happen when we drowned  
I stood and turned to walk away  
I left you behind*

(singing)

*You are the world to me  
you are where I want to be  
You are the one I love  
You are my one from above*

*I shouldn't have let you go*

*I should have known*

*what would happen when we drowned*

*I stood and watched you leave*

*I shouldn't have let you go*

*I should have known*

*what would happen when we drowned  
I stood and turned to walk away*

*I left you behind*

*you left me behind*

*I shouldn't have let you go  
I shouldn't have let you go*

(\*end song\*)

SEBASTIAN

That's.. That's the song I wrote for us.... Last summer....

AUDREY

I know it is....

SEBASTIAN

You still remember all the words

AUDREY

Well how could I forget them? It's the one good thing that came out of that relationship....

SEBASTIAN

I'm glad our friendship was able to survive though

AUDREY

Did it though? Like look at everything... nothing is as it was before we tried a relationship....  
We lost a lot Sebastian.... And what we lost can never return.... We can't undo the damage that  
relationship caused! We can't change the past Sebastian! You can't take back all the pain that  
you caused!!

SEBASTIAN

I know.... The best we can do is what we are already doing....

AUDREY

Moving forward.... As friends..... Nothing more or less... because I love you.... I always have  
and will.... We have known each other since we were 3!

SEBASTIAN

I love you too.... Hey quick question

AUDREY

What is the question? I might have an answer

(LISA enters STAGE LEFT)

LISA

Oooo, what's goin' on here?

SEBASTIAN

Go away Lisa!! This does not concern you!!!

LISA

You owe me Sebastian!!!! After what you and that witch did to me!!! You owe me!! So you better spill the beans!!!

AUDREY

Calm down Lisa, and if Sebastian does not want to tell you something then he does not need to tell you meaning go away! Please!

LISA

Excuse me

AUDREY

Go!

(LISA exits STAGE LEFT)

AUDREY

You were saying?

SEBASTIAN

Does Noah have social media?

AUDREY

Why are you asking me?

SEBASTIAN

Because he lives with you

AUDREY

Oh my God!! You like him!!! I knew it!!

SEBASTIAN

Shut up before Charolette hears!!

(\*end scene\*)

EXT.STREET

NOAH

Yea I know... Greyson....

AUDREY

Wait what!!!! I was going to tell you Sebastian like you but holy.....

NOAH

Wait the guy I really like, likes me? And I also am target of Grey's admiration?

AUDREY

Well buddy, you are lucky!!

NOAH

How? Because now I have to choose!! I hate choices!!

AUDREY

Just relax..... Both are good choices! And It's time we see that smile reappear..... Ah, ah, there it is....

(LISA enters STAGE LEFT)

LISA

Heya Noah, my buddy, my pal!!!

Noah

How do you fit you big head in that hat of yours?

LISA

You know your negativity will come back to kill ya one of these days!

(LISA exits STAGE RIGHT)

NOAH

Man she just likes to get on my nerves

AUDREY

She isn't as bad as Charolette though

NOAH

Tell me about it!

(CHAROLETTE enter STAGE LEFT)

CHAROLETTE

Tell me about what?

NOAH

Speaking of the devil's mistress, here she is!

CHAROLETTE

Noah, I really don't appreciate being called the devil's mistress. If you are going to insult me do it right!

(CHAROLETTE exits STAGE RIGHT)

NOAH

I give up on this conversation now!! Cause the only way this could get worse is if Sebastian or Greyson were to walk by!!!

(SEBASTIAN + GREYSON enter STAGE LEFT)

NOAH

You are kidding me!!!

GREYSON

Oh.... um.... Hey Noah.... Do you.... Maybe... want to .... You know.... Hangout sometime?

(NOAH screams and runs off STAGE RIGHT)

AUDREY

(NOAH gets up and exits STAGE RIGHT)

SEBASTIAN

Noah, come back! I--- damn it!

(SEBASTIAN exits STAGE LEFT while AUDREY watches from her locker)

AUDREY

*(singing)*

*I shed a tear for every moment I had with you,  
You broke every fear I had within me,  
You made me see the light again,  
That's when my heart broke again.....*

*I fought for my life  
I have survived such strife,  
I got through it all before you,  
But then you came through  
And now I can't live without....you.....*

*Your heart gave rhythm to my life,  
As your removed the fear and the strife,  
You stripped away all the walls I built,  
You brought me back to life....*

*But now my tears fall down,  
They fall to the ground,  
And I-I- I don't even make a sound  
Now that you're gone...  
Now that you're gone...*

*You left me to die,  
All I can do is cry,  
Till I am safe by your side again....  
Please make me whole again.....*

*But now my tears fall down,  
They fall to the ground,  
And I-I- I don't even make a sound  
Now that you're gone....*

(end song)  
(AUDREY drops her books as she begins to cry)  
(LISA exit STAGE LEFT)  
(CHAROLETTE exit STAGE RIGHT and shove AUDREY to the ground)  
(GREYSON get up and go help AUDREY)

GREYSON  
Hey? What's wrong?

AUDREY  
Nothing, it's nothing.....

GREYSON  
Does it have to do with my sister Charolette?

AUDREY  
No... and how the hell do you put up with her?

GREYSON  
Easy... I don't, I ignore her and read.... And picture her as the character that's about to be killed!

AUDREY  
That is totally not concerning at all.... (laughs)

GREYSON  
There's that smile, it's the same smile as Noah's.... Wait... are you two.... Dating?

AUDREY  
What!!!! NO!!! Him and I are cousins! GOD!!!

GREYSON  
okay ... just checking before I do something really stupid....

AUDREY  
Which is?

You and me....*

NOAH

Keeping our steps to a beat  
We are so in sync  
It makes it hard to think*

I can see for a mile  
My heart  
Was torn apart  
But you put it back  
It's no longer black  
Cause I love you*

SEBASTIAN

*(singing)*

*Do you love me  
Can you see  
All that we can be

Keep me safe from harm  
As you hold me in your embrace  
As we stand close, face to face*

SEBASTIAN

Noah, wait..... ugh....

AUDREY

I told you so

CHAROLETTE

Wait was my source wrong or did I just see Sebastian get rejected by the new kid?

LISA

Charolette, that's enough!!! Leave him alone! I won't let you ruin another student the way you ruined me!!! And before saying anything about me how about you go look in a mirror as you say it!!!

CHAROLETTE

That's a lot of nerve you have there little girl!!!

GREYSON

(CHAROLETTE exits STAGE RIGHT shoving LISA)

AUDREY

Charolette, you don't have a good nerve in your body.... You are literally the epiphany of evil.... And evil can't change!

CHAROLETTE

You will see and be proven wrong! I can be a good person and I will be a good person by taking the stupid... I mean helpless.... I mean less fortunate out for lunch! So who wants to go on a lunch date with me?

EXT.STREET

*\*AUDREY and GREYSON walk down the street together holding hands talking\**

AUDREY

You know, it's nice to see Noah happy again! It's been so long since he has smiled.... Even if the reason he is smiling is my ex.... I am still happy for him!

GREYSON

So what happened to his parents? Like what was the accident?

AUDREY

So Noah, his sisters, his twin brother, and his parents were driving home from a dinner party....

GREYSON

Wait he has a twin!?!

AUDREY

Had..... as they were driving home, something happened and the car was found in a ravine with only Noah alive..... He was trying to pull everyone out of the car when the EMT's arrived at the scene..... He watched as the paramedics declared time of death for everyone in his family..... Afterwards Social services came and brought him to my Mom's house as my Aunt, his Mom had chosen my Mom to be legal guardian if something were to happen.....

GREYSON

That explains a lot about why he is so closed off to the world

AUDREY

Yeah..... But he has made improvements since he moved here.....

GREYSON

This is true! He smiles more.... He talks more, He is more open now....

AUDREY

Yes he is.... But I still worry that something will trigger his memories and cause a flashback.....or worse.....

GREYSON

What do you mean?

AUDREY

He was diagnosed with PTSD last month..... and he still isn't sleeping properly.....

GREYSON

Oh.....

(enter LISA STAGE LEFT)

LISA

LISA

Why are you being nice to me?!?!

CHAROLETTE

Because you need someone

LISA

I have Grey and Seb and Noah!!!

CHAROLETTE

Well I'm better

(CHAROLETTE chases LISA around the stage till LISA exits STAGE LEFT)

CHAROLETTE

See what you did! You made her leave!!

AUDREY

I think you did that one yourself, your highness...

CHAROLETTE

One of these days you will see!! That I'm not as stuck up as you make me out to be and that I am not a monster!!!

AUDREY

Pigs will fly before I see that!!

CHAROLETTE

Well then you better start teaching those pigs flying lessons then!

AUDREY

I don't need to cause it's a figure of speech saying what you think you will accomplish will never happen!!!

(CHAROLETTE growls as she exits STAGE LEFT)

AUDREY

How long do you think she can pull it off

GREYSON

I give it 2 months

AUDREY

2 weeks

GREYSON

AUDREY

So Noah, Sebastian.... Are you two going to the dance together?

NOAH

I would but he has to ask me first!

SEBASTIAN

Why me!! Why can't you ask? Anyways are you and Grey going together?

GREYSON

Yes! I asked her as soon as I found out about the dance

NOAH

See! Why can't you be like that!

SEBASTIAN

Your joking right?

(NOAH exits)

AUDREY

No he is not.....

GREYSON

Oh and before I forget Audrey..... You owe me \$5

AUDREY

Crap.... The bet.... Fine... here it is..... why does she have to now start being nice....

And keep being nice..... Ugh...

SEBASTIAN

Aud.... how extravagant is he expecting for a dance proposal?

AUDREY

From what i read when i snooped his diary..... You better have a white stallion, a corvette, or a lot of roses.....

SEBASTIAN

You gotta be kidding me

AUDREY

(laughing)

Of course I am joking.... He just wants you to ask him and act like you care.... God you are so naive!!

SEBASTIAN

(gasping)

I really hate you right now.....

AUDREY

Well you might as well be my brother in law.... So it is technically my job to annoy you!!

SEBASTIAN

And apparently give me heart attacks.... Holy.....

AUDREY

You will be fine.... Oh Hi Noah!

SEBASTIAN

Where!!!

AUDREY

(laughing even harder)

Naive and gullible!!! This is too easy!!! I got to get to class!!! Good luck lover boy!!

(AUDREY and GREYSON exit )

LISA

How many freaking lefts are there!!!

SEBASTIAN

Yeah I'll..... Come back later....

(SEBASTIAN exits)

CHAROLETTE

Do you want me to do it

LISA

By all means show me princess perfect

(CHAROLETTE takes banner down and hangs it the same way LISA did it)

CHAROLETTE

There... see?

LISA

That is exactly how I had 30 seconds ago!!!!!!!!!!

(LISA exits)

CHAROLETTE

Maybe a bit more to the left will work.... Or is it to the right?

(fade out)

(end scene)

EXT.STREET

*\*NOAH is walking down the street singing to himself\**

NOAH

*(singing)*

*Walking down this path alone  
Seeing the world as it's shone*

*Look back at my past  
My whole world is moving fast*

*I don't want to let it go  
I want them to know  
That they are always in my head  
Even though they're dead*

(\*Enter MOTHER/EXTRA FEMALE 1\*)

(NOAH starts to cry as he sings and runs to MOTHER as they hug)

*I see her standing there  
She's beautiful and fair  
Holding her arms out to hold me  
It feels like a fantasy*

(\*MOTHER/EXTRA FEMALE 1 exits\*)

*I don't want to let it go  
I don't want my feelings to show  
These memories are crushing me  
Taking the light from me*

*This burden that I keep  
The blame that never sleeps  
I want to move on  
I want to move on.....*

*But  
I don't want to let it go  
As I stand here in the snow  
Seeing their faces in front of me  
Seeing my family  
Again....*

I just wanna be here with you  
Because I love you*
